### COUNTDOWN TO THE GRADE 12 FINAL EXAMS

Dear Grade 12 Class of 2010

**20 DAYS**  
 To the start of the Final Exams!

**Design your Time Management Schedule**

You will need a blank calendar for October and November, large enough to write in each day's activities. If you cannot find such a calendar, you could easily draw one on an A4 sheet of paper or cardboard. Use a pencil at first, until you are satisfied with your time allocations. Later on you may use different colours to indicate the various activities so that you can tell at a glance the order of your activities.

Here is an example:

October

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
		6	7	8	9	10
11	12	13	14	15	16	17
Exercise & study 06:00-7:30 School 08:00-15:00 Home chores 15:30-16:00 Revision 16:00-17:30 Supper/Leisure 17:30-18:30 Study 18:30-20:30 Break 20:30-21:00 Revision 21:00-22:00 <b>SLEEP</b>						
18	19	20	21	22	23	24

Once you have filled it in, fix it somewhere visible in your study area for easy reference. Follow it as far as possible. There might be times when you have to deviate from the schedule, but don't abandon it altogether!

**Schedule Guidelines:**

- \* Study during your alert times (morning/evening)
- \* Study when there are least distractions/noises
- \* 1 hr = 50 minute study + 10 minutes break
- \* Do not study more than 3 hours in a row.
- \* Implement and stick to it! Study skills and strategies only become study habits if they are practiced regularly.

The more responsibility you take for your education, the easier learning and studying will be.

##### Herald Correspondent

SWIMMER Chad le Clos opened South Africa's medal count on day one of the Commonwealth Games in New Delhi yesterday with a gold in the men's 200 m butterfly.

**CHILDREN ON MINIBUSES/TAXIS**

We always have to make sure that we are safe when using public transport such as minibuses or taxis. Here are some helpful tips to keep us safe.

Ensure that you arrive on time and wait away from the road. When the vehicle arrives, don't rush or push against other people. Find a seat quickly and remain seated while the vehicle is moving. Never kneel on your seat and make sure that your luggage does not take up a seat. Keep your bags out of the gangways and exits.

It is very dangerous to distract the driver. Only speak to the driver when he/she is not driving or in case of an emergency. Don't run around or play about in the moving vehicle. Never throw things around or out of the windows, as you can hurt other passengers or cause other drivers to have an accident.

Wait until the vehicle has stopped completely before getting up to leave. Take all your belongings with you when you leave. If you have to return after getting off, take care as the driver may be pulling away.

Wait for the vehicle to move away first before you cross the road after getting off. Always be polite towards the driver and other passengers. Always be **SAFE!**
