DATE: 29 JULY 2009.

**2011 MAY/JUNE SENIOR CERTIFICATE EXAMINATION
NATED 550**

1. BACKGROUND

The National Curriculum Statement that culminates in a National Senior Certificate is the Grade 12 qualification that can be attained in South Africa. This was written for the first time in 2008.

Candidates who are in possession of credits for the old NATED 550 qualification known as the Senior Certificate were given an opportunity to complete this qualification during May/June each year until 2011.

2. REQUEST

The Directorate Assessment and Examinations would appreciate the assistance of Principals and all stake holders in getting the following information into communities, through teachers and learners among others, in order to assist in advertising this examination.

There is only one more year, 2011, to utilise credits to obtain a matriculation certificate under the old NATED 550 syllabus. Closing date for registration 30 September 2010

3. The information below must be disseminated to all candidates by District Offices.

Various communication strategies can be used, such as:

- Distribution of this information to Churches, Community meetings, Libraries or Community Radio Stations and local Newspapers;
- Advertising the Department's Website – www.ecdoe.gov.za

4. IMPORTANT INFORMATION
