SUBJECT : ADDENDUM TO THE ASSESSMENT INSTRUCTION 43 OF 2010

DATE : 27 SEPTEMBER 2010

This communication serves to inform you that Exam Assistants (EAs) who will be appointed at Marking Centres and at the Depot for NSC and ABET L4 do not necessarily need to be at the second year level nor holding a 2 year Matric Certificate, as indicated in the first page of Assessment Instruction 43 of 2010 under requirements for employment. This opportunity is also extended to first years at Tertiary Institutions and to those holding a Matric Certificate for 1 year. Their application forms must therefore be considered.

Your co-operation is always appreciated.

Yours in Quality Education.
