1. ANALYSIS OF QUESTION BY QUESTION PERFORMANCE

QUESTION 1

SECTION A:

The candidates have done well in this question except for question 1.1.11/1.1.12 and 1.1.16.

Those questions were very open and allowed for more answers.

QUESTION 2

Most learners have done well in this question. The illustration was very poorly. The information on the lid was not clear.

QUESTION 3

A very difficult question for the learners. The statement was difficult for learners to interpret and to motivate.

3.4.2. Was a very unfair question to the learners.

QUESTION 4

Learners could not identify the different housing options.

QUESTION 5

Learners were not able to answer the acronyms.

7. ANY ADVICE THAT YOU COULD GIVE TO EDUCATORS TO HELP LEARNERS TO REACH THE EXPECTED LEVELS

Use all the available text books. Make notes. Revise old question papers.
