QUESTION 1

The analysis shows a **52%** success rate (**code 4**) that is in my opinion acceptable. We received some brilliant essays and on the other side quite normal ones.

The following should get attention:

- ❖ More writing assignments.
- ❖ Better planning and editing
- ❖ Moving out of the normal and usual to the more exciting and interesting
- ❖ Using of punctuation should be taught and applied – it's a valuable tool in writing.
- ❖ Learner must read every day to broaden their frame of reference.
- ❖ Construction of sentences should get attention.
- ❖ Make sure about the meaning and interpretation possibilities of the topics.

QUESTION 2

The success here is **53%** (**code 4**). That is also acceptable.

Learners should know the format of the different topics and apply it correctly

The following should get attention:

- The format of the different pieces.
- The newspaper report's format was a problem. They should know that it should be written in the second person and not in the first person.
- The reporter should be objective.

QUESTION 3.

A **55 % average** a code 4 is also acceptable. The candidates can only improve and receive good marks in this section.

The following should get attention:

- Candidates must make sure that they understand the topic.
- Although it is a very short piece, proper planning should be done. Good language

and good words should be used and

Any other comments that would be useful for teachers and subject advisors:

- I know it takes a lot of time to assess essays and shorter pieces, but regular writing assignments will better the skills of our learners.
- Practice and revise the formats of the transactional texts.
- Get a separate book for writing so that learners can revise their certain information about writing.
- Teach punctuation and the value of it in writing.
- The construction of sentences are also very important.
