"The single most important investment any country can make is in its people. Education has intrinsic and instrumental values in creating societies that are better able to respond to the challenges of the 21<sup>st</sup> century..."

A holistic education widens career path choices and develops audiences and consumers in different sectors of the economy...

The core business of schools is learning and teaching. The main responsibility of a school principal should be to lead the core business of the school."

*National Planning Commission*

"Live as if you were to die tomorrow. Learn as if you were to live forever."

*Mahatma Gandhi*

"Education is the most powerful weapon which you can use to change the world."

*Nelson Mandela*

"You educate a man; you educate a man. You educate a woman; you educate a generation."

*Brigham Young*

"Intelligence plus character – that is the goal of true education."

*Martin Luther King, Jr*

"Education is our passport to the future, for tomorrow belongs to the people who prepare for it today."

*Malcolm X*
