**2014
ANNUAL NATIONAL ASSESSMENT
(ANA)**

6 January 2015

- The sun shall never set on such a glorious achievement.
- There comes a time when a leader has to lead.
- To overthrow oppression has been sanctioned by humanity and is the highest aspiration of every man.
- To plant a seed, watch it grow, to tend it and then harvest it, offer(s) a simple but enduring satisfaction.
- There are times when a leader has to move out ahead of the flock, go off in a new direction, confident that he is leading his people the right way.
- Children are the most vulnerable citizens in any society and the greatest of our treasures.
- Let us never be unmindful of the terrible past from which we come – that memory not as a means to keep us shackled to the past in a negative manner, but rather as a joyous reminder of how far we have come ...
- I want to be able to sleep until eternity with a broad smile on my face, knowing that the youth, opinion makers and everybody is stretched across the divide, trying to unite the nation.
