ASSESSMENT INSTRUCTION 04 OF 2017

HEAD OFFICE DIRECTORS AND DISTRICT DIRECTORS

EDUCATION DEVELOPMENT OFFICERS
DEPUTY CHIEF / SENIOR EDUCATION SPECIALISTS
PRINCIPALS OF PUBLIC AND INDEPENDENT SCHOOLS OFFERING
GRADE 12
TEACHER UNIONS / ORGANISATIONS
SCHOOL GOVERNING BODIES**

DATE: 11 JANUARY 2017

**IMPLEMENTATION OF GRADE 12 NATIONAL SENIOR CERTIFICATE (NSC)
LITERATURE SET- WORKS FOR ALL OFFICIAL LANGUAGES IN THE
OCTOBER/NOVEMBER 2017 AND FEBRUARY/MARCH 2018 EXAMINATIONS**

1. This assessment instruction which relates to the implementation of the literature set-works for the Grade 12 National Senior Certificate (NSC) examinations in October/November 2017 and February/March 2018 must be read in conjunction with the Department of Basic Education (DBE) Circular E39 of 2016 dated 09 December 2016; Circular S4 of 2008 dated 8 May 2008; Circular S13 of 2013 dated 2 December 2013; Circular S15 of 2014 dated 12 November 2014 and Circular S4 of 2016 dated 28 October 2016 and associated Provincial Assessment Instructions.
2. After the release of the first Grades 10 – 12 Literature Catalogue in 2015, it was established that some languages did not have new materials in all the genres as required. The DBE undertook a subsequent screening process in 2016 in an attempt to fill the gaps. However, the 2016 screening process still could not identify suitable materials to fill all the gaps as intended.

3. After consultation with all the stakeholders, and given that there are no new materials available in some required titles, DBE has decided to put the following transitional measures in place:
 - A) **OFFICIAL HOME LANGUAGES (HL) AND FIRST ADDITIONAL LANGUAGES (FAL)**
 - I. Where the 2015 Literature Catalogue provides a full complement for a specific genre, the new titles will be implemented in 2017 as scheduled. For example, English Home Language has a full complement of two new **novels** (both classic and contemporary). This means that the two new novels will be studied in 2017, and questions set thereon in the October/November 2017 and February/March 2018 NSC literature question paper.
 - II. Where the 2015 Literature Catalogue does not provide a full complement of titles in a genre, the missing titles must be replaced by the titles from DBE Circular S4 of 2008. For example, in the case of a Home Language with only one new drama instead of two, learners will have an option of studying the new drama or choosing one from the list cited in DBE Circular S4 of 2008.
 - III. Where there are no new titles for a particular genre in the 2015 Literature Catalogue, titles cited in DBE Circular S4 of 2008, will be studied and assessed in the October/November 2017 and February/March 2018 NSC examinations.
4. It is important to note that only one **Poetry Anthology** is prescribed for each official Home and First Additional Language. If the language level has a new anthology of poems, the October/November 2017 and February/March 2018 NSC question paper will comprise of poems selected from the new anthology.
5. Similarly, where the 2015 Literature Catalogue does not provide a new anthology of poems, for example, isiZulu FAL, the anthology as cited in DBE Circular S4 of 2008 will be studied and assessed in the October/November 2017 and February/March 2018 NSC examinations.
6. Similar to poetry, only one anthology for **short stories** is prescribed for each official First Additional Language. If the language level has a new anthology, the October/November 2017 and February/March 2018 NSC examinations will be set on the short stories selected from the 2015 Literature Catalogue.
7. In the event where the 2015 Literature Catalogue does not provide a new anthology for short stories, for example, isiXhosa FAL, the anthology for short stories, as cited in DBE Circular S4 of 2008, will be studied and assessed in October/November 2017 and February/March 2018 NSC examinations.
8. Guidance provided in DBE Circular S15 of 2014 with regards to **Folklore** (the nine (09) official African HL) still applies for the October/November 2017 and February/March 2018 NSC examinations.

9. Attached in **ANNEXURE A (PAGE 1 – 5)** is a list of the titles of the **NOVELS** to be studied in 2017 for each official Home and First Additional Language.
10. **ANNEXURE B (PAGE 6 – 10)** comprises a list of the titles of the **DRAMA** to be studied in 2017 for each official Home and First Additional Language.
11. **ANNEXURE C (PAGE 11 – 23)** comprises a list of the titles of the **POEMS** to be studied in 2017 for each official Home and First Additional Language.
12. **ANNEXURE D (PAGE 24 – 30)** comprises a list of the titles of the **SHORT STORIES** to be studied in 2017 for each official Home and First Additional Language.
13. **ANNEXURE E (PAGE 31 – 40)** comprises a list of the titles of the **FOLKLORE** to be studied in 2017 for each official Home and First Additional Language.
14. **ANNEXURE F (PAGE 41 – 43)** comprises a list of the titles for additional Second Additional Languages.

B) OFFICIAL SECOND ADDITIONAL LANGUAGES (SAL)

15. Whilst the Curriculum and Assessment Policy Statement (CAPS) prescribes the introduction of four genres, namely, poetry, novel, drama and short stories in the SAL Paper One, the selection process could not identify a full complement of suitable titles in a number of SALs.
16. As a result, the Second Additional Languages (SALs) will offer the titles that are available in the Literature Catalogue for the October/November 2017 and February/March 2018 NSC examinations. Where there are no new titles, the affected SALs will continue to offer only Short Stories for the October/November 2017 and February/March 2018 NSC examinations as per DBE Circular S13 of 2013, except for isiXhosa SAL. Where there are new titles, these will be implemented in addition to the existing Short Stories, except for isiXhosa SAL.
17. New titles have been identified in the following languages and will be implemented in the October/November and February/March 2018 NSC examinations. Refer to pages 41 – 43 of the list of titles.
 - isiZulu and Siswati SAL, titles for new anthologies for short stories have been identified.
 - In Afrikaans SAL, a new drama title has been identified.
 - In English SAL, a novel, drama, and a poetry anthology titles have been identified.
 - For isiXhosa SAL, a new novel and drama title have been identified.

- In Setswana SAL, a new novel title has been identified.

District officials are urged to bring this Assessment Instruction to the attention of the schools under their jurisdiction. District CES Curriculum and Subject Advisors (Languages) are to mediate this Assessment Instruction to all Grade 12 language teachers before 31 January 2017.
