## 4. APPLICATION FOR ACCOMMODATIONS AND CONCESSIONS

### 4.1 IMMIGRANTS

Accommodation and concessions will ONLY be granted to immigrant learners, where:

- a.) Parents/Guardians apply on behalf of the learner, complete section A and provide supporting documentation.
- b.) The school/institution completes section B of the form, and ensures all relevant documentation is attached before submission to District offices.
- c.) Valid study permits are attached.

## 4.2 BARRIERS TO LEARNING

Accommodations and Concessions will **ONLY** be granted to learners experiencing barriers to learning, where:

- a) The school, not the parents apply on behalf of the learner;
- b) There is supporting evidence/history of barriers identified.

**NB: No candidate will be considered for Accommodation and Concessions unless there is evidence of the Screening, Identification, Assessment and Support process (SIAS, 2014) with supporting evidence. It is emphasised that learners need to be supported to access and participate in the curriculum, not only in examinations. The granting of a concessions/accommodation is a continuation of the support offered in the classroom for a learner experiencing barriers to learning.**

- c) Evidence of previous Accommodation and Concessions granted and approved by the Provincial Examination Chief Directorate and recommended by District Director.

## 4.3 APPLICATION PROCESS AND GENERAL GUIDELINES

An application for learners with barriers to learning, as outlined in Point 2 previously, or any special needs barriers, supported by full evidence, must be made using the relevant form (**ANNEXURE B**).

Concessions are not granted where the primary areas of difficulty are with the language of learning, teaching and assessment due to the fact that this is not the home language of the learner.

Sections A–E must be completed by the school/institution. Copies of relevant documents e.g. medical reports, psychological reports, school report, evidence of support etc. must be attached. Please note the new requirement: Evidence of support according to the SIAS Policy Guideline and completion of Form DBE 124.

Submit to the relevant District Office for not later than **31 March 2023 for any learner in the school who has a barrier to learning and requires a concession during any examination in 2023**. District Examinations and Assessment Office should submit the applications to Provincial Examination Office not later than **21 April 2023**.

**No late applications will be considered**, except for emergency applications for Concessions, which will be evaluated during examinations when the emergency occurs. Delays in adjudication may result from non-compliance i.e. documentation is incomplete or outdated or insufficient evidence of support, leading to the need for reapplication the following year.

## 5. 5.1 Concessions/Accommodations for Grade 12- NEW APPLICATIONS

It has been observed that some schools do not apply for Accommodations and Concessions until a learner is in Grade 12. This disadvantage the learner considerably and Principals are requested to apply timeously when a learner is admitted to the school and barriers to learning are identified, preferably by October of their Grade 10 year. All the above guidelines apply (see 3.2.1.)

**Concessions will not be granted to an applicant who is seeking solely to enhance his/her scholastic performance.**

**Learners who received concession approval in Grade 10 in 2021 for the Phase are not expected to apply in Grade 12.**

**Only the new applications or if the concession needs change and require additional concessions are required to apply.**

## 5.2 Other procedural guidelines

A learners' Assessment Accommodation and Concessions needs change over time. Principals are reminded that applications for accommodations and concessions must be made **at the beginning of EACH PHASE** for a learner that requires a concession for example

- Foundation Phase: Grade 1
- Intermediate Phase: Grade 4
- Senior Phase: Grade 7
- Further Education and Training: Grade 10

**The school is responsible for the following:** screening and identifying learners, completing application forms, and attaching all relevant documentation and supporting documents, forwarding application to the District Offices by the deadlines, capturing the application electronically and implementing the decision made by the Provincial Office.

**5.3 Provincial Accommodation and Concessions Committee** will adjudicate all requests and will be required to provide written responses to the schools/institution, no later than **31 May of 2022**.

The co-operation of all education stakeholders in the process is both anticipated and appreciated.
