Description of "Re-do" choice / Beskrywing van "Doen oor"-keuse:

Y = Yes/Ja: This option means that the relevant component for the subject will be offered. The candidate will have to redo the component for the selected subject. For any new subjects not offered at a previous full-time sitting, all the (relevant) components **must** be offered. Hierdie opsie beteken dat die betrokke komponent vir die vak gedoen sal word. Die kandidaat moet dus die komponent oordoen vir die betrokke vak. In nuwe vakke wat nie tydens 'n vorige voltydse sessie aangebied is nie, **moet** al die (relevante) komponente aangebied word.

N = No/Nee: This option means that the particular component for the subject will not be offered. The mark of the same subject component at the previous full-time sitting will be used. This option can only be selected if you indeed have a valid mark at a previous full-time sitting for the same subject component. Hierdie opsie beteken dat die betrokke komponent vir die vak nie oorgedoen sal word nie. Die punt van dieselfde vak komponent van die vorige voltydse sessie sal gebruik word. Hierdie opsie kan slegs gebruik word indien jy wel 'n geldige punt het vir die vorige voltydse sessie in die betrokke vak komponent.
