**SUBJECT: MANAGEMENT OF 2023 GRADE 12 NSC COMPUTERISED SCHOOL
BASED ASSESSMENT (SBA), ORALS AND PRACTICAL ASSESSMENT
TASKS (PAT) MARK SHEETS**

DATE : 16 OCTOBER 2023

1. INTRODUCTION

- 1.1 The mark sheets for Orals, SBA and Practical Assessment Tasks have been printed and distributed to districts and schools.
- 1.2 Districts and schools are reminded that SBA marks are to be moderated before they can be captured on the system. Districts are urged to ensure that all schools adhered to moderation processes before the mark sheets are completed.

2. LIFE ORIENTATION

- 2.1 **LIFE ORIENTATION** is out of **400**.
- 2.2 There are two computerized school-based assessment mark sheets for Life Orientation: Paper 1 and Paper 2.
- 2.3 **Paper 1** marksheet is for **Common Assessment Task (CAT)** which is out of **80 marks**.

- 2.4 **Paper 2** is meant for term 1, 2, 3 and Physical Education Task for term 4 school-based assessment tasks which is out of **320 marks**.
- 2.5 **Marks must be transferred in their original raw mark for both CAT (80 marks) and (SBA 320 marks). NO PERCENTAGE MUST BE USED.**
- 2.6 **The declaration form must be attached to the Computerised Mark sheets for both Paper 1 and Paper 2 for Life Orientation.**

3. HOW TO COMPLETE THE MARK SHEETS?

- 3.1 The computerized mark sheet should be completed as follows:
- 3.1.1 Teachers must correctly and accurately transfer the marks from the SASAMS schedule onto the computerized mark sheet in black ink only. **Ensure that the marks that are filled in the computerized mark sheet are the same as those reflected in the SASAMS schedule. After the marks have been captured on the system, no corrections will be allowed.**
- 3.1.2 “Mark” column is for all marks before moderation.
- 3.1.3 “Moderated mark” column is for all marks after moderation.
- 3.1.4 Both “Mark and Moderated” columns should be completed.
- 3.1.5 If the candidate did not comply with SBA requirements with a valid reason, that candidate may be granted another opportunity to be assessed and such a candidate must submit the outstanding work or present him/herself for PAT or Oral within 3 months from the date on which the opportunity is given.
- 3.1.6 Valid reasons include the following: illness, humanitarian reasons or court appearance (all these must be supported by valid documentation).
- 3.1.7 If a learner has not submitted a component of SBA a reason must be established and not just be awarded a zero “0”. It has been observed that when a learner has not submitted a component of School Based Assessment a learner is sometimes incorrectly awarded a “1” or “0”. It is important to take note that zero “0” is a mark and not equivalent to absent.
- 3.1.8 The teacher must allocate a mark to every learner on the mark sheet and ensure that the following is adhered to: -
- 3.1.8.1 Every block in each column should be completed i.e. for 65 marks it should be captured as follows: -

Mark			Moderated Mark		
0	6	5	0	6	5

- 3.1.8.2 **Marks must not exceed total marks reflected in the computerized mark sheet.**
- 3.1.8.3 **Marks should be added up and filled in the space provided. The mark sheet must be signed by the moderator.**
- 3.1.8.4 **No corrections/amendments must be made on the official mark sheet. This means that no names, ID numbers and/or examination numbers may be added to mark sheets.**
- 3.1.8.5 No correction fluid, no scratching out and /or erase, cut and pasting of mark sheets will be accepted.
- 3.1.8.6 The teacher, principal and moderator/subject advisor must write their names.
- 3.1.8.7 **The stamp of the school must appear at the back of the mark sheet.**

4. HANDLING OF IRREGULAR CASES

- 4.1 *In cases where the learner has been duplicated on a mark sheet, marks should be allocated on the first line, **the second line should be filled with the same mark.***
- 4.2 *In cases where an approved subject change is not effected in the system, **444** must be used. A copy of the approval letter must be attached.*
- 4.3 *In cases where the learner is omitted, a copy of the preliminary schedule where the learner had appeared must be attached.*
- 4.4 *In cases where the school requested a learner to be deregistered, 444 must be used. Letters from both the principal and the parent must be attached.*
- 4.5 *In cases where the personal details have been captured incorrectly, a letter correcting the problem and the relevant evidence must be attached.*
- 4.6 *In cases where the learner did not complete all tasks for SBA, 444 must be used on the school mark schedule and the computerized mark sheet.*
- 4.7 **All 444 cases must be accompanied by a written explanation. No mark sheet with 444 will be accepted without this requirement.**
- 4.8 *The cases must be submitted to District Offices on or before 20 October 2023.*
- 4.9 *District Office must submit all irregular cases with covering letters and supporting documents including DAIC minutes and recommendations to Ms F. Bikitsha on or before 08 November 2023.*
