THE MULTIPLIER EFFECT

South Africa has won the rights to host the 2027 International Cricket World Cup. The games will be hosted in the city of Johannesburg, Durban, Cape Town and Port Elizabeth. It is expected that the event will contribute directly and indirectly into the economy increasing GDP and stimulating employment opportunities. The government is expected to spend to the region R100 million in infrastructure development. The South African citizens normally save 20% of their income.

[Extract from www.citizens.co.za. Accessed on 14 February 2024.]
